5 Top reasons to choose SAP Business One to manage your entire business

Every day over 80,000 customers around the world rely on **SAP Business One** to manage every aspect of their businesses and keep their customers satisfied.

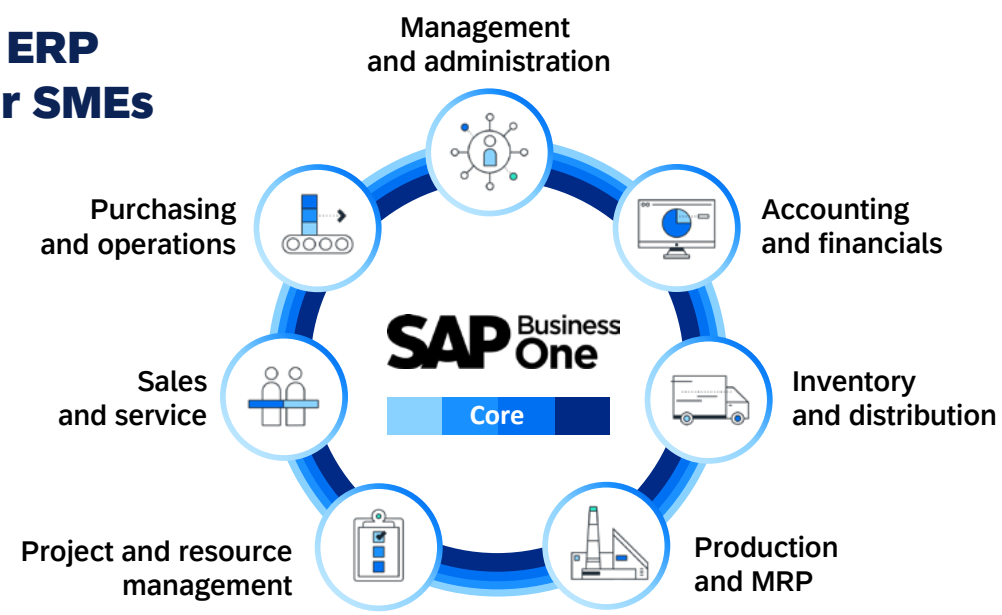
SAP Business One

1 Flexible, Integrated Solution

Flexible for any business, it can be deployed **on-premise** or in the **cloud**, running on SAP HANA® or Microsoft SQL servers. Employees can start using it with ease, and it can be customized and extended as your business grows.

- **Affordable low total cost of ownership**
- **Quick and easy to implement**
- **Comprehensive all your departments needs today and tomorrow**
- **Globally available in 28 languages and 50 official localizations**

2 Strong ERP core for SMEs



3 SAP Business One Web Client

Features a user-friendly web interface aligned with SAP Fiori design principles. It integrates the core business processes and functionalities of SAP Business One with advanced analytics and integration capabilities, making it an ideal companion for your business's future growth.

- **Analytics**
- **Web Interface**

4 Industry Expertise and Scalability

Utilize SAP Business One's comprehensive industry functionality and best practices. Scale your solution as your business expands by leveraging SAP Business One extensions developed by SAP partners, as well as over 500 add-on solutions from our partner network.

- **Consumer Products**
- **Wholesale Distribution**
- **Retail**
- **Professional Services**
- **Industrial Machinery and Components**

5 SAP Build Process Automation

Forget the old manual processes by automating repetitive tasks and improving your process workflows with no real need for coding, automating faster with pre-built content and operating confidently.

- **Supplier Invoice Upload for Intelligent Invoice Scanning**
- **Sales Order Creation from a Local Purchase Order**
- **Proof of Delivery Note Upload in the Outbound Delivery and Invoice**
- **Activity Creation for Business Partners**
- **Return Request Process Automation**
